FROM THE PASTOR

Each time this year, with a profound sense of gratitude it is my privilege to send our parishioners statements of financial donations to the parish. Please contact the parish office if you have any questions about the statements. The parish has recently benefited from several legacy gifts that are a tremendous help to pay down the mortgage. We received a bequest of \$46,851.83 from the Estate of Eleanor K. Lovell, a bequest of \$822.31 from the Estate of Florence L. Benesh and a quarterly distribution of \$1,185.66 from the Trust of Mable Meredith. The thoughtfulness and generosity of these parishioners enables the mission of our parish to continue. Please remember them and all the benefactors of our parish in your prayers. I also prayerfully encourage you to remember our parish and our parish school when you prepare your estate plan.

May God Bless you,

ARCHBISHOP'S ANNUAL APPEAL...The "Archbishop's Lenten Appeal" is now the "Archbishop's Annual Appeal" and will take place prior to Lent each year so that it does not impact Lenten liturgies. Many parishioners will have received a mailing directly from Archbishop O'Brien requesting that you make a pledge to the 2009 Archbishop's Annual Appeal. This year's theme is "Do everything for the glory of God." (1 Cor. 10:31-11:1) and our contributions multiply the glory that we give to our God by enabling ministries and services to touch thousands of lives! Please answer the Archbishop's request and make a generous pledge. All pledges can be billed in ten monthly installments for your convenience. Thank you for your support.

THANK YOU to all who contributed to the collection for the Special Care for Diocesan Priests. The total amount collected was \$9,315.72.

ADULT FAITH FORMATION

Thanks to all those who are now participating in our study of St. Paul's First Letter to the Corinthians. This fascinating letter provides us with a fuller insight into the life of an early Christian community of the first generation than any other book of the New Testament. Through it we can glimpse both the strengths and the weaknesses of this small group in a great city of the ancient world, men and women who had accepted the good news of Christ and were now trying to realize in their lives the implications of their baptism. Paul, who had founded the community about the year 51 and continued to look after it as a father, responds both to questions addressed to him and to situations of which he had been informed. In doing so, he reveals much about himself, his teaching, and the way in which he conducted his work of apostleship.
